## Instructions for Form C-8000MC, Miscellaneous Credits

**Purpose:** To allow eligible taxpayers to claim the Michigan Economic Growth Authority (MEGA), Workers' Disability Supplemental Benefit (WDSB), Apprenticeship, Next Energy, Enterprise Zone, Michigan Historic Preservation, Low Grade Hematite Pellet, Pharmaceutical, Renaissance Zone and Brownfield credits. Review the descriptions carefully before claiming a credit as there are strict eligibility requirements. Follow the instructions on the form for each credit.

### PART 1: Refundable Credits

**The MEGA Employment Tax Credit** promotes economic growth and jobs in Michigan. Projects must be certified by MEGA. Approved businesses receive a certificate from MEGA each year showing the total amount of tax credit allowed. Attach the *Annual Tax Credit Certificate* to the return to substantiate a claim. The credit will be disallowed if the certificate is not attached. For more information, call the Michigan Economic Development Corporation (MEDC) at (517) 373-9808 or visit the MEDC Web site at [medc.michigan.org/miadvantage](http://medc.michigan.org/miadvantage).

**The WDSB Credit** is available to self-insured employers only for the amount authorized by the Department of Labor and Economic Growth (DLEG) during the tax year. The authorization date and the amount of credit are on the credit list (LW06401-Z04) given to taxpayers by DLEG. Attach a copy of the credit list(s) to the return to substantiate claims. For more information on WDSB credit eligibility, call DLEG, Bureau of Workers' Disability Compensation, at (517) 322-1879 or (888) 396-5041 or visit the DLEG Web site at [www.michigan.gov/dleg](http://www.michigan.gov/dleg).

**The Apprenticeship Credit** encourages businesses to hire and provide training to qualified students. The credit equals 50 percent of the payroll expenses paid for the benefit of an apprentice in a qualified program *plus* 100 percent of the cost of classroom instruction and related expenses. Apprentices must be 16-19 years old and enrolled in either high school or a GED program. For tax years beginning after December 31, 2003, the maximum credit allowed annually per apprentice is \$4,000 for companies classified as a tool and die company under the North American Industrial Classification System (NAICS), and \$2,000 for all other companies. In addition, NAICS classified tool and die companies will be allowed a credit of up to \$1,000 annually for qualified expenses incurred in the training of each special apprentice. A special apprentice is not an apprentice as defined above, but is a Michigan resident, 16 - 24 years of age, and is trained through a program that meets all statutory criteria.

To substantiate claims, attach a copy of an approved federal form *ETA 671* to the return for each apprentice. For more information, call the U.S. Department of Labor, Bureau of Apprenticeship and Training, at (517) 377-1746 or visit Michigan's School-to-Registered Apprenticeship Program and Tax Credit Web site at [www.michigan.gov/mdcd](http://www.michigan.gov/mdcd) and click on "Program Fact Sheets".

**The Next Energy Payroll Credit** provides a payroll credit to qualified businesses located within an alternative energy renaissance zone. Qualified businesses must be engaged solely in the research, development or manufacturing of an alternative energy technology. The credit is equal to the payroll amount for the tax year attributable to employees who are working on alternative energy-related research, development or manufacturing and whose regular place of employment is within the zone, multiplied by the income tax rate for that year.

### PART 2: Nonrefundable Credits

**The Enterprise Zone Credit** was created to encourage businesses to locate and expand in areas with high unemployment, low income, high property taxes and low property value. A certified business is eligible for a credit equal to the amount of tax liability attributable to business activity in the enterprise zone for 10 years from the date the business was certified. The only certified enterprise zone eligible for this credit is in Benton Harbor. No new applications are being accepted for this credit. Be sure to enter the street address or the parcel number of the property before beginning the calculation. For more information, see Revenue Administrative Bulletin 1993-10 or call the MEDC at (517) 373-9808.

**The Michigan Historic Preservation Credit** provides tax incentives for homeowners, commercial property owners and businesses to rehabilitate historic resources located in Michigan. The credit is based upon the qualified expenditures made for rehabilitating historic resources.

Form 3581, *Michigan Historic Preservation Tax Credit*, must be attached as well as all attachments requested on that form. Complete and attach Form 3614, *Michigan Historic Preservation Tax Credit Assignment*, if the credit is being assigned.

Questions regarding federal and state certification may be directed to the State Historic Preservation Office (SHPO) at (517) 373-1630. For additional information, visit the SHPO Web site at [www.michigan.gov/hal](http://www.michigan.gov/hal). Information about Federal Historic Preservation Tax Incentives is available at: [www2.cr.nps.gov](http://www2.cr.nps.gov)

**The Low-Grade Hematite Pellet Credit** provides a credit equal to \$1 per long ton of qualified low-grade hematite pellets consumed in an industrial or manufacturing process that is the business activity of the taxpayer. This credit shall be based on low-grade hematite pellets consumed on or after January 1, 2000. If the credit exceeds the tax liability, the difference may be carried forward for the next five tax years.

**The Next Energy Business Activity Credit** allows an eligible taxpayer to claim a credit for certain qualified business activity if certified under the Michigan Next Energy Authority Act.

"Qualified business activity" is research, development or manufacturing of an alternative energy marine propulsion system, an alternative energy system, an alternative energy vehicle or alternative energy technology (as defined in the Act) or renewable fuel. The credit for a tax year is equal to the amount by which the taxpayer's SBT liability attributable to qualified business activity for the tax year exceeds the taxpayer's baseline tax liability attributable to qualified business activity. Attach the certificate issued by MEDC for this credit to the return to substantiate a claim.

For more information, call the MEDC at (517) 373-9808 or visit their Web site at [medc.michigan.org/advmfg](http://medc.michigan.org/advmfg).

**The Pharmaceutical Credit** provides a credit for qualified research expenses (as defined in section 41 of the IRC) related to the taxpayer's pharmaceutical-based business activity in Michigan. Eligible taxpayers must be primarily engaged in manufacturing, research, development and sale of pharmaceuticals; have at least 8,500 employees in Michigan whose primary place of employment is within a 100-mile radius of each other, where at least 5,000 of these Michigan employees must be engaged primarily in research and development of pharmaceuticals. If the credit exceeds the tax liability for the year, the difference may be carried forward for the next seven tax years. Complete and attach Form 4079, *Michigan Pharmaceutical Credit Assignment*, if the credit is being assigned.

**The Old Brownfield Credit** was available for tax years that began after December 31, 1996 and before January 1, 2001. The credit carryforwards from credits that were previously approved may still be applied against the current tax liability until the credit is used up or the 10-year limitation has been reached.

**The Renaissance Zone Credit** encourages businesses and individuals to move into a designated zone to help revitalize the area. A business located and conducting business activity within the Zone may claim a credit for tax years beginning after December 31, 1996. Beginning with the 2003 tax year, the method of calculating the credit is different for businesses first locating and

conducting business activity within a Renaissance Zone before December 1, 2002, and those businesses first locating and conducting business activity within a Renaissance Zone after November 30, 2002. Be sure to enter the street address or the parcel number of the property before beginning the calculation.

Business activities relating to a casino, including operating a parking lot, hotel, motel or retail store, cannot be used to calculate this credit. Businesses delinquent in filing or paying property tax, single business tax or city income tax as of December 31 of the prior tax year are not eligible for this credit. Taxpayers will be notified if a claimed credit is disallowed.

For more information on Renaissance Zones, contact the MEDC at (517) 373-9808 or visit their Web site at [medc.michigan.org/miadvantage](http://medc.michigan.org/miadvantage). For information on the SBT credit, contact the Michigan Department of Treasury, Customer Contact Division, SBT Unit, at (517) 636-4700.

**The New Brownfield Credit**, extended through 2007, encourages businesses to make investment on eligible Michigan property that was used or is currently used for commercial, industrial or residential purposes and is either a facility (environmentally contaminated property), functionally obsolete or blighted. Functionally obsolete or blighted property must be located in a qualified local governmental unit. For the purpose of this credit, the local Brownfield Redevelopment Financing Authority designates eligible property in an approved Brownfield plan.

For the credit to be valid, attach the *Certificate of Completion*, issued after the completion of the approval process, to the return. If the credit is being assigned, attach documentation verifying that the credit is valid. If the credit exceeds the tax liability for the year, the difference may be carried forward for the next 10 tax years.

P.A. 249 of 2003 transfers the administration of the SBT Brownfield credit program from the Department of Treasury to MEGA. For more information on the approval process, contact the MEDC at (517) 373-9808.

**The MEGA Business Activity Tax Credit** promotes economic growth and jobs in Michigan. Projects must be certified by MEGA. Each year, approved businesses receive a certificate from MEGA showing the total of tax credit allowed. Attach the *Annual Tax Credit Certificate* to the return to substantiate a claim. The credit will be disallowed if the certificate is not attached. If the credit exceeds the tax liability for the year, the difference may be carried forward for the next 10 tax years. For more information, contact MEDC at (517)373-9808 or visit [medc.michigan.org/miadvantage](http://medc.michigan.org/miadvantage).
